Privacy Policy

Calan System D Setup App

Last Updated: July 31, 2026

American Calan, Inc. ("Calan," "we," "our," or "us") respects your privacy and is committed to protecting the information collected through the Calan System D Setup mobile application (the "App"). This Privacy Policy explains what information the App collects, how it is used, and your rights regarding that information.

Information We Collect

The Calan System D Setup App is designed to assist authorized users in provisioning and configuring Calan System D devices for connection to customer Wi-Fi networks. The App may collect or access:

- Device information necessary for communication with Calan System D hardware.
- Wi-Fi network information entered by the user for device configuration purposes.
- Diagnostic or troubleshooting information related to the provisioning process.
- Mobile device permissions required for Wi-Fi, Bluetooth, Nearby Devices, or network discovery features, depending on the Android version and device manufacturer.

The App is not intended to collect sensitive personal information.

How We Use Information

Information collected through the App is used solely to:

- Configure and provision Calan System D devices.
- Establish communication between System D devices and customer networks.
- Diagnose connection or provisioning issues.
- Improve the reliability and performance of Calan products and services.

Information Sharing

American Calan does not sell, rent, or share personal information collected through the App with third parties for marketing purposes. Information may be shared only:

- With service providers who assist in operating Calan products and services.
- When required by law, regulation, legal process, or government request.
- To protect the security, safety, or integrity of Calan systems and services.

Data Storage and Security

We implement reasonable administrative, technical, and organizational safeguards to protect information processed through the App. While we strive to protect information, no method of electronic transmission or storage can be guaranteed to be completely secure.

Retention of Information

Information is retained only as long as necessary to provide the intended functionality of the App, support Calan services, comply with legal obligations, resolve disputes, and enforce agreements.

Third-Party Services

The App may interact with third-party operating system services provided by Google or Android device manufacturers for networking, Bluetooth, or device discovery functionality. These services are governed by their respective privacy policies.

Children's Privacy

The App is intended for use by authorized adult personnel, technicians, researchers, and customers. The App is not directed to children under the age of 13, and we do not knowingly collect information from children.

Changes to This Privacy Policy

American Calan may update this Privacy Policy from time to time. Updated versions will be posted at this page with a revised "Last Updated" date.
